

Module 1, Section B: Statewide Goals and Accomplishments

Name of CSBG Eligible Entity Reporting: EnAct, Inc.

B.4. State Management Accomplishment – Describe what you consider to be the top management accomplishment achieved by your State CSBG Office during the reporting year.

Our state CSBG office has been a major factor in our success. They are fully staffed now and each one of them has the ?team? philosophy which assisted us in reaching our goals in helping those that needed help in our 5 counties. Their guidance and assistance is very much appreciated.

B.5. CSBG Eligible Entity Management Accomplishment – Describe what you consider to be the top management accomplishment achieve by your CAA during the report year. Describe how responsible, informed leadership and effective, efficient processes led to high-quality, accessible, and well-managed services and strategies.

There were several top accomplishments in 2021 but maybe the top 2 were: we became fully staffed which greatly assisted us in reaching our goals. Given the continued concerns regarding the pandemic, this has been very difficult to do in both finding people and in keeping them. This increase in staff helped us to have a record year in helping those that need our help in our 5 counties. Altogether, we were able to provide over \$2,000,000 in CSBG Regular and CARES funds to those who needed it. This agency has never done this. The other area is: we are starting to get name and program recognition in our 5 counties. There is still much to do in this area which is a goal for us in 2022

B.6. Innovative Solutions Highlights: Provide an example of how your agency addressed a cause or condition of poverty in the community using an innovative or creative approach. Include your name, local partners involved, outcomes achieved, and specific information on how CSBG funds were used to support implementation.

The pandemic and it?s affect on those that need assistance continues to grow which means we need to do more to help them. Our sagging economy, the inflation we are experiencing, etc., make the need for our services and programs more than ever. In order for us to become more effective in recognizing these needs, our Community Advocates began to get more involved in the communities they are serving. This trend will continue in 2022. The more active we continue to be, the more we will understand what is going on and what is needed in these communities.

Module 1, Section I: Results Oriented Management and Accountability (ROMA) System

Name of CSBG Eligible Entity Reporting: EnAct, Inc.

I.5. State and CSBG Eligible Entity Continuous Improvement – Provide an example of changes made by your agency to improve service delivery and enhance impact for individuals, families, and communities with low-incomes based on their in-depth analysis of performance data.

Better utilization of social media has helped the agency increase its effectiveness and awareness in the communities that we have. More people have viewed our website then ever before and, Facebook has been tremendous help. We have logged over 1,000 hits to our Facebook page since it was redone in late 2020. With the success this has had, we are now considering more areas of social media such as; TV and radio ads, newspaper ads, billboards, etc. All of this includes the local communities newspapers in our 5 counties.
